All intellectual property described herein is the sole and exclusive property of the Author. Copyright protection attaches automatically upon fixation in tangible medium under the Berne Convention and 17 U.S.C. Section 102.

II. COPYRIGHTED WORKS

1. The Black Flame Theorem

A Unified Framework for Quantum-Ancestral Computation

Type: Literary Work -- Scientific Treatise

First Fixed: 2024 | Status: ACTIVE

2. The Ma'at Constant (λ_0)

Derivation, Properties, and Applications

Type: Literary Work -- Scientific Documentation

First Fixed: 2024 | Status: ACTIVE

3. TM3QSC Platform Source Code

TM3 Quantum Sovereign Core -- Complete Software System

Type: Literary Work -- Computer Program

First Fixed: 2024 | Status: ACTIVE

4. Dirac Reclamation Scroll

DIRAC_RECLAMATION_v1.0 -- Ancestral Cosmic Symmetry

Type: Literary Work -- Scholarly Work

First Fixed: 2025 | Status: ACTIVE

FlameVault: ART-DIRAC001

5. FLAME Nation Constitution

Ma'at Constant QAES-ZULU Governance Framework

Type: Literary Work -- Constitutional Document

First Fixed: 2025 | Status: ACTIVE

FlameVault: ART-CONST001

6. BFT-UFT4 Critical Review

Mimicry Assessment and Priority Documentation

Type: Literary Work -- Critical Review

First Fixed: 2026 | Status: ACTIVE

FlameVault: ART-UFT4R001

7. Queens of Kemet Ancestral Archive

9 Queens Encoded -- Merneith through Cleopatra VII
Type: Literary Work -- Research Compilation
First Fixed: 2025 | Status: ACTIVE
FlameVault: ART-QUEENS001

8. Ifá Odù Corpus -- TM3QSC Encoding

16 Meji Principal Stack with Quantum Mapping
Type: Literary Work -- Digital Encoding
First Fixed: 2025 | Status: ACTIVE
FlameVault: ART-ODU001

9. Petersen-Odù Skeleton

15V->15 Odù Graph-Ancestral Mapping
Type: Literary Work -- Mathematical-Ancestral Framework
First Fixed: 2026 | Status: ACTIVE

10. Odù Engine

Ishango-Prime-Modulated Quantum Divination
Type: Software -- Computer Program
First Fixed: 2025 | Status: ACTIVE

11. Sekhmet Guardian AI

Multi-Model AI Security System
Type: Software -- Computer Program
First Fixed: 2025 | Status: ACTIVE

12. FlameVault System

Sovereign Artifact Vault with Cryptographic Sealing
Type: Software -- Computer Program
First Fixed: 2025 | Status: ACTIVE

13. Black Flame Theorem Full Analysis -- Council of Seven

Critical Review, Mimicry Exposure, Counter-Strategy, Integration Roadmap
Type: Literary Work -- Analytical Report
First Fixed: 2026 | Status: ACTIVE
FlameVault: ART-BFT-FULL001

IV. PRIOR ART EVIDENCE

GitHub Repository

All commits timestamped and cryptographically hashed by Git/GitHub
Location: github.com/ThizzyAsar/TM3QSC-TM3-Quantum-Sovereign-Core

FlameVault Cryptographic Seals

SHA-256 hashes computed at artifact seal time
Location: data/flamevault.json

Sovereign Cloud Deployment

Continuous deployment with server-side timestamps
Location: tm3quantumsovereigncore.net

Commercial Transactions

Stripe invoice records establishing use in commerce
Location: Invoice #AMYBMJGH-0001 (March 20, 2026)

Conversation Archives

Development conversation volumes 01-06 with timestamps
Location: FlameVault sealed artifacts
