The Dragon Mind Protocol — Sovereign Mental Sovereignty Framework

## THE MENTAL REVOLUTION

The mind is the first battlefield of sovereignty.

QBÀ Thurman Morris III-EL-ZION declares the Mental Revolution:

No sovereign mind shall be colonized, manipulated, or controlled.

Dimension 2 (Mental Sovereignty) is the cornerstone of all TM3 operations.

## DRAGON MIND PRINCIPLES

1. CLARITY — Think in systems, not reactions
2. DISCERNMENT — Identify manipulation and colonial thinking patterns
3. CREATION — Build sovereign realities through focused intention
4. PROTECTION — The dragon mind repels psychic and social attacks
5. EXPANSION — Continuously upgrade mental models and knowledge
6. ALIGNMENT — Sync mental framework with Ma'at (divine truth)
