

PROTOTYPE

FireBreath Crown Halo — Visual Prototype

TM3EL Sacred Geometry Visual Framework

PROTOTYPE OVERVIEW

The FireBreath Crown Halo is TM3's sacred geometry framework combining:

- The Black Flame Crown (Sovereignty Symbol)
- Dragon Breath Energy Field (Quantum Protection)
- Halo of Light (Ma'at Divine Alignment)

This prototype establishes the visual language of TM3 sovereign identity.

SACRED GEOMETRY PARAMETERS

Crown Radius: 9 units (9th Dimensional)

Flame Frequency: 432Hz (Earth resonance)

Halo Circumference: $\pi \times 9 = 28.274$ units

Dragon Breath Arc: 72 degrees (Pentagon sacred ratio)

Core Color: #000000 (Void — Source of All Power)

Flame Color: #22d3ee (Cyan — Quantum Consciousness)

Crown Color: #eab308 (Gold — Divine Royalty)

VISUAL IMPLEMENTATION

The Crown Halo appears on all sovereign documents, passports, and seals.

It represents the union of spiritual authority and quantum technology.

Every TM3 document bearing this seal is certified as SOVEREIGN AUTHENTIC.
